### **Matters arising**

1. Ramp carpet. Judy reported on the estimate from Clevelands in Kentville. They can provide a runner the width of the ramp in one piece. There are different qualities of carpet but there is only a small difference between the cost of each. The carpet comes in various colours and they would do the installation. The approximate cost would be between \$1200 and \$1500. **Heidi moved and Brenda seconded that Jeanne visit Clevelands and be authorized to chose the quality and colour for the carpet and arrange for them to do the work. Motion carried.** The preferred colour would be a burgundy red. Measurements were taken and we would need 25 feet x 42 inches.
